The story of **SEGRETI**

Italian for “secret”, Segreti Australia is a family owned and run Brisbane manufacturer of handcrafted Antipasti products, gourmet dips and specialised condiments and sauces. The business commenced manufacturing during the 1990’s with three distinct and unique products, and has since grown to produce over 100 signature products, a lot of which are unique only to Segreti.

exquisite
hand crafted Antipasti products

At Segreti, we pride ourselves in producing to a high quality and consistent standard. Our products are manufactured using either local Australian seasonal produce, or only the finest imported ingredients where necessary. We like to bring traditional Old European flavours and authentic recipes into all our products and then add our own unique “twist” and then blend other cultures tastes into the mix (that’s part of the Secret!).

The majority of our products are “Made to Order” to ensure the freshest and finest product is always received by our loyal customers, ready for immediate consumption. We do not use additional additives or synthetic preservatives in our products and most of our range is Gluten Free.

At Segreti, we are always developing new and exciting products with that “Point of Difference” which most good food businesses are wanting. We are constantly exploring new food trends and materials to make our products unique and somewhat different from the standard. We would rather be the market innovator than imitator in our sector.

Segreti has a substantial client base, supplying the majority of the high end food markets and delis, restaurants, cafes and caterers throughout Queensland, with a fast growing following and market throughout Australia. We deliver our products locally on pre-determined days, as well as working closely with selected distributors in Brisbane, Gold Coast, Northern New South Wales, Sunshine Coast, Far North Queensland, as well as selected Inter-State locations.

Segreti also produces a range of exclusive products for use by major airlines, health food companies, food manufactures and hotel chains. Upon request, we are happy to work with a customer to develop and manufacture new products to suit individual needs, as long as this meets our production policies and capacities.

So now, the only thing for you to do is look for Segreti and try it for yourself.
You be the judge!

The ‘Secret’ is out!
Experience the fine tastes of Segreti.

GOURMET DIPS

Shelf Life: 4 weeks - 3 months

PRODUCTS

BUSHFIRE HONEY

Smoked Australian Honey

Shelf Life: 24 months
Gluten Free & Preservative Free

AVAILABLE SIZES  

Raw, untreated honey, sourced from local apiarists throughout South East Qld. Naturally wood smoked over several hours. Always a limited supply of this product due to high demand of raw honey.

Serve on toast, cereals, fruits, blue cheeses, in shakes or on yoghurt. Heat will accentuate the smoke flavour.

SMOKED OIL

Bushfire Smoked Olive Oil

Shelf Life: 36 months
Gluten Free & Preservative Free

AVAILABLE SIZES

Olive oil is the main cooking oil in countries surrounding the Mediterranean, and it forms one of the three staple food plants of Mediterranean cuisine, the other two being wheat (as in pasta, bread, and couscous) and the grape, used as a dessert fruit and for wine.

Extra virgin olive oil is mostly used as a salad dressing and as an ingredient in salad dressings. It is also used with foods to be eaten cold. If uncompromised by heat, the flavor is stronger. It also can be used for sautéing.

PRESERVED LEMONS

Shelf Life: 24 months
Gluten Free & Preservative Free

AVAILABLE SIZES

Australian grown first grade lemons. Hand cut and barrel preserved for a minimum of three months before packing. The preserving process intensifies the flavour, into the skin, tenfold.

Flesh is removed and skin only is used, due to the intensity of flavour. A Moroccan ingredient used to add flavour to parfaits, semifreddo, rice, cous cous, tagines, braised dishes, BBQ's, salads and dressings.
